

Welcome Incoming Kindergarten Families!

I hope that you are off to a pleasant summer. We were disappointed that we were unable to have the kids meet the teachers and for you to touch base with some of our staff this spring due to the school closure. In place of this, please see the presentation below in regards to some things that you can do to help prepare your child for kindergarten this fall.

Our Kindergarten teachers also took some time to record themselves reading a story to the kids. Please view these as often as you wish. This may help with them recognizing some faces as they begin their journey at Harlan! We can't wait to meet all of them!

As we get closer to the fall, please be on the lookout for more communication as to what to expect in regards to school programming.

I hope that you enjoy the summer months!

Be well,

Alex Agius
