

## Sunscreen and Insect Repellant Permission

I give the Birmingham Public Schools Early Childhood Center permission to use the following on my child \_\_\_\_\_ while he/she is at school:

\_\_\_\_\_ I will provide my own Sunblock (non aerosol, non flammable)

\_\_\_\_\_ Insect repellant containing not more than 10% Deet

\_\_\_\_\_ Diaper Cream (parent will supply)

\_\_\_\_\_ Chapstick (parent will supply)

\_\_\_\_\_ Moisture Lotion (parent will supply)

I understand that the Oakland County Health Department follows the American Academy of Pediatrics guidelines recommending this concentration of repellant be used sparingly for children between the ages of 2-6 years old. Refer to [www.cdc.gov/ncidod/dvbid/westnile/q&a.htm](http://www.cdc.gov/ncidod/dvbid/westnile/q&a.htm) for more information before signing this form.

I understand that the best way to protect my child from mosquito bites while playing outdoors is to wear long sleeved shirts and pants.
