

## Parent Volunteer Checklist

Parents often ask, “What can I do to help?” Parent support and involvement throughout the year make our center a better place for children. Participating in one or more of these volunteer opportunities gives you a chance to meet other parents.

Turn your completed Parent Volunteer checklist in with your other paperwork. Please check all boxes that apply. The coordinator of the event will contact you. If you are interested in coordinating an event call Laura Tinsley (248-203-5805) for more information. Thank you in advance for your support!

**PAC** – The Parent Advisory Committee meets with Laura Tinsley quarterly in the evening. There is a representative from each classroom. This committee organizes events, provides feedback to the director, and shares ideas to improve our programming.

**Garden Committee** – A few years ago we planted a garden and created an Outdoor Classroom. We need a small committee of parents who would be willing to be resourceful to teachers, and work a maximum of twice a year in the garden and school flower beds for a few hours.

**Mom To Mom Sale** – **The biggest fundraiser of the year.** This event on in November requires many volunteers. Families bring equipment and children’s items to sell. This is a great way for working parents to volunteer. We need help in several areas, set up on Friday, day of the sale on Saturday, and the bake sale.

**Art Show** – A fun school event we organize every other year. Each classroom creates art work to be displayed and 3 individual student art pieces. Parents then have the opportunity to purchase their students artwork. It is a fun family event that needs many volunteers to make it a success.

**Teacher Appreciation** – In May we host Teacher Appreciation Week. Please volunteer to organize, bake, set up, or clean up a meal prepared or ordered by parents for teachers. The teachers really appreciate this event.

# Parent Volunteer Checklist

Please return this form to the BPS Early Childhood Center.

*I am interested in volunteering for the following activities (check boxes and circles):*

**PAC (Parent Advisory Committee)**

**Garden Committee**

Chairperson: \_\_\_\_\_

Volunteer: \_\_\_\_\_
