

Promise to Participate for 2017-2018 School Year

BCS PTSA Clearinghouse

There are so many ways to get involved at BCS and volunteering provides a wonderful opportunity to get to know our students, staff and other parents. At BCS, every parent, every staff member, and every student does their part to give back to the BCS community. No matter what your schedule is like, there is always a volunteer opportunity to fit your needs to ensure we have 100% parent volunteer participation!
