Dear Supporters,

Birmingham Covington School (BCS) is a 3rd - 8th grade global learning hub within the Birmingham Public Schools focusing on math, science and technology through interdisciplinary projects and global connections. BCS offers a dynamic and collaborative learning community. We cultivate an engaging environment that embraces all students and empowers them to pose questions, integrate resources, synthesize, evaluate and apply their knowledge to positively influence our diverse and ever-changing world.

On **Sunday, March 18th, 2018** BCS will be hosting the Blast; our only fundraiser. On behalf of our students, we are seeking donations of gift certificates, products or services to our online auction Bidding for Good. Last year our Blast raised \$60,000 and was attended by more than 500 parents, students, and community members. We are looking to exceed our previous fundraising number this year and hope to count on your support in this endeavor. These funds are crucial to continuing our unique curriculum, funding the purchase of technology, books, supplies and programming not covered by public funds.

Our online auction thru Bidding for Good has far reaching exposure. The auction items will reach a local, regional, and global audience. For your tax deductible donation, you will not only receive online exposure, but local print and web ads will be seen prior and during the event.

The auction will go live **March 7th, 2018 and end on March 16th, 2018**. You may donate directly by visiting the BCS auction online [www.biddingforgood.com/blast](http://www.biddingforgood.com/blast) or submitting the attached donation request letter.

Thank you in advance for considering our request. Your gift will make a difference in our community as you support our children and our ability to provide innovative learning resources.

If you have any questions, please contact Jennifer Peterson at [jpeterson@educatingtogether.org](mailto:jpeterson@educatingtogether.org).

Sincerely,

Jennifer Peterson
