

e-Funds for Schools Instructions

e-Funds for Schools offers various options for parents/guardians who choose to make payments online or from their mobile devices.

Users will have the ability to have various school fees/payments, including PTA, Senior All Night Party, electronically withdrawn from a checking account or charged to a credit card.

You will receive an email confirmation for every payment that is processed. The e-Funds For Schools site is secure and uses industry standard data encryption.

This is a separate program from the InfoSnap registration system and will require a separate login and password. You will need your student(s) ID number to link to your student's name and fee options. To create an account or to login to an existing account, visit: <https://payments.efundsforschools.com/v3/districts/56264>.

Once on the eFunds for Schools homepage, the links for to "Create An Account" or to "Login" are half way down on the left. There is a small convenience fee associated with each payment: \$1.00 for using your checking/savings account information (direct ACH), and \$2.65 (per \$100) for using your credit/debit card. Please print your eFunds receipt or have your student have it available on their personal device when they come to their designation in person registration at school.
