Derby Spring 2021 Club Offerings

Comic Creator Design Club: Students will create and design a personal Comic Book Project. The goal is to learn the key phases of how to create a compelling comic book for fans worldwide. Students will be able to publish worldwide online. In addition, students will gain 21st century skills including creativity, critical thinking, collaboration and communication. Every student will storyboard and present their game. The classes will educate kids about game design and computer science. **The first 10 students will be accepted for enrollment and the rest will be placed on a wait list. There will be no refund once class begins.**

Grades: 6-8	**Sponsor:** Accelerate Kid Instructor
Room: Virtual	**Days:** Mondays 3:45-4:45 P.M.
Dates: 4/5/2021- 5/24/2021	**Cost:** $170.00

Bloxels Video Game Builder Club: Bloxels is a fun web-based platform that allows anyone build a functional video game. Build characters, art, animations and more in any Web browser or supported device! All experience levels are welcome. **In the interest of equity, this club will accept the first 8 girls and the first 8 boys who sign up.** This club will be "free play" with no structured instruction.

Grades: 6-8	**Sponsor:** Mrs. Sindelar, Derby Teacher-Librarian
Room: Virtual	**Days:** Tuesdays 3:45-4:45 P.M.
Dates: 4/6/2021-6/1/2021	**Cost:** FREE

Roblox eSports Coding Club: Students will take their love for the Roblox game to a developer level by designing and constructing an eSport arenas using Roblox Studio. Students will learn Roblox commands, 3D modeling, textures, arena development and some **Lua** programming language. Students will gain 21st century skills including creativity, critical thinking, collaboration and communication. **The first 10 students will be accepted for enrollment and the rest will be placed on a wait list. There will be no refund once class begins.**

Grades: 5-8	**Sponsor:** Accelerate Kid Instructor
Room: Online	**Days:** Wednesdays 3:20-4:20 P.M.
Dates: 4/7/2021-5/26/2021	**Cost:** $170.00

Fantasy Role Playing Games Online: Are you a Harry Potter fan? Ever hear of the Lord of the Rings? How about the game called Dungeons and Dragons? Fantasy role playing games allow players to create imaginary heroes that go on adventures in a fantastical medieval setting where they fight evil sorcerers and wicked dragons! We will be hosting weekly Zoom game sessions and using a simplified version of Dungeons and Dragons just for beginners. Students will build social, math, and problem-solving skills while cultivating their imaginations and making friends.

Grades: 6-8	**Sponsors:** Mr. Chappell, Derby ELA teacher
Room: Virtual	**Days:** Wednesdays 3:30-5:30 P.M.
Dates: 4/7/2021-6/2/2021	**Cost:** FREE

Yoga Club: This class focuses on giving pre-teens and teens tools they can use to reduce stress in their lives, promote positive body image, and increase strength and flexibility. Each class will include a series of yoga poses, breathing exercises, and meditation practices

Grades: 6-8	**Sponsor:** Ms. Fazzolara, Derby 6th grade social studies teacher
Room: Virtual	**Days:** Wednesdays 3:20-4:20 P.M.
Dates: 4/7/2021-6/2/2021	**Cost:** FREE

Drama Club: Let's Make a Zoom Movie: Based on the overwhelming success of the first Zoom Movie class you won't want to be late in signing up this time. The class will develop your acting skills and working with a script. Don't worry about memorizing a bunch of lines; this script allows for and I encourage a bunch of adlibbing. Once again we will be using one of the oldest and greatest plays of all time and turning it into a movie. I won't tell you what it is but it involves ghost, murder, revenge, laughs and heartbreak and did I mention murder? **This club is limited to the first 18 students who register.**

Grades: 6-8	**Sponsor:** Mr. Hoff, ASD para-professional
Room: Virtual	**Days:** Thursdays 3:45-5:15 P.M.
Dates: 4/8/2021 – 6/3/2021	**Cost:** FREE

JavaScript Game Design Coding Club: Students will explore, create and design games like Fruit Ninja and Flappy Bird with the Bitsbox app through the JavaScript programming language. The goal is to have students learn text-based programming concepts, design games, and implement coding logic. Students will gain 21st century skills including creativity, critical thinking, collaboration and communication. The classes will educate kids about game design and computer science. **The first 10 students will be accepted for enrollment and the rest will be placed on a wait list. There will be no refund once class begins.**

Grades: 6-8   **Sponsor:** Accelerate Kid Instructor
Room: Virtual   **Days:** Fridays 3:45-4:45 P.M.
Dates: 4/9/2021 – 5/28/2021   **Cost:** $170.00
