

COURAGEOUS CONVERSATION

BEYOND DIVERSITY

Beyond Diversity is a powerful, personal transforming two-day seminar designed to help teachers, students, parents, administrators understand the impact of race on our lives, our work, and our learning. Interactive and stirring exercises strengthen participants' critical consciousness of race and leads them to investigate the role that racism plays in deinstitutionalizing achievement disparities. Most importantly, it models and teaches a protocol for discussing race in ways that are productive, insightful and generative. We cannot solve the problems created by racism without discussing race, and Beyond Diversity with a 25-year history and over 100,000 alumni, imparts a method for having a Courageous Conversation.
