ATHLETIC FAMILY PASS REGISTRATION FORM

Families who purchase a Family Pass gain admission to regular season **home** contests. Eligible family members are limited to those who reside within the household. Please complete the following form and turn it in during registration. Your cards will be issued at registration.

Please remember that your Family Pass will be issued for the members of a single household. If you have aunts, uncles or others who would like to purchase a Family Pass for their household, please duplicate this form. Each household's Family Pass is \$100.00. Note: individual game ticket price is \$5 without a pass. Students may purchase an individual student athletic pass which will admit only the student to home games for \$40.00.

Procedure for Family Pass Game Admission: Each eligible family member you list below will receive their own card. Groves students will have an Athletic Pass designation added to their Student ID Cards for free admission. There is a \$10 replacement fee for lost cards. Anyone who does not present a valid Student ID with the Athletic Pass designation or a Family Pass Card for admission to athletic contests will be charged the regular ticket price for that game.

Grandparents of Groves' students can receive a Birmingham Public Schools Senior Citizen Athletic Pass for free game admission by calling (248) 203-3773.

PLEASE PRINT CLEARLY. If you have any questions, please call the athletic office at (248) 203-3585.
