

West Maple Character Education

Core belief in our Touchstone – we engage and empower all learners to become global citizens and achieve lifelong success.

Curriculum integration – teachers intentionally and proactively integrate core values into the curriculum. Curriculum is differentiated and meaningful.

Service learning – students are engaged through multiple opportunities for moral action (at each grade level, in different student groups, and at the larger community level).

Create a caring community – foster positive relationships among students, between staff and students, and staff and parents.

Families and communities as partners – promote shared values, create opportunity for students to practice good character outside of the school. Engage families with multiple activities and school opportunities.

West Maple is a National and State School of Character. We use the 11 Principles of Character Education to engage our students and larger community. If you have any questions about our programs, or would love to volunteer please contact Mrs. Giles (tgiles@birmingham.k12.mi.us) or Mr. Mitevski (amitevski@birmingham.k12.mi.us). If you want to read more about the 11 Principles, please visit <http://character.org/more-resources/11-principles/>

At West Maple we are...

PAWS AND THINK. PAWS AND THINK. PAWS AND THINK. PAWS AND THINK. PAWS AND THINK.
