LAST  
DODGEBALL  
SESSIONS OF THE  
YEAR!

Start the day off right and join us for this childhood favorite! Morning Dodgeball is offered two mornings/week — choose one or both mornings! Morning exercise improves learning ability, boosts attention and increases motivation. Different varieties of dodgeball will be introduced throughout the session (traitor ball, star wars, etc.). Coaches from Seaton Athletics will ensure that fun is had by all and that safety prevails. Soft dodgeballs are used; students are required to wear (provided) safety goggles.
