Good Evening Pembroke Families & Friends,

I hope you all enjoyed a bit of time off from our online learning routine last week. The weather cooperated and it was sunny and beautiful for a few days. I was able to take the opportunity to work in my yard and spent time with my family. I hope you too were able to enjoy the outdoors and family time!. In addition to enjoying the week, our Pembroke staff has been working hard to transition our online learning platform to a more specific approach for our Pembroke kiddos. As you know, the district is shifting to building specific, grade level Google Classrooms. For example, all of our Kindergarten students will access the "Pembroke-Kindergarten Google Classroom", etc. The district will be sending more information regarding this within the next day. Once the District Enews is shared, your child's teacher will follow-up with an email including a Google Classroom code, weekly schedule, student engagement expectations and their specific classroom Zoom times & days. We look forward to another 1st day together on Wednesday, April 15th!

We continue to be here for you and your family!

Warmest Regards,

Susan Crocker

Principal

Pembroke Elementary
