

Dear Pembroke Elementary Parents:

The giving season is upon us! To make it easier for all of us to show our appreciation for our great teachers and staff at Pembroke, the PTA is launching a GiftCrowd webpage to streamline gift collection for staff and teachers before our winter break. This will take the place of room parents collecting from the class for a teacher gift (unless your room parent communicates an alternate plan for your class).

Families are invited to click on the webpage below – there you will see all the teachers, aides and other staff members at Pembroke. The list will also include non-Pembroke teachers who currently teach Pembroke students (ex: BVA, Science/SS and Specials). Once you locate the staff member(s) you wish to give to, please click the join button next to their name. From there you are able to write a personal greeting to the teacher and make a monetary gift of your choosing via debit or credit card (there are no fees).

On **December 17 at 4pm**, all the gifts will be sent to the recipients. Every recipient will see the list of participants and their greetings (but not the individual contributions). The recipient will be able to choose how to use their gifts by redeeming them into gift cards of their choice through the GiftCrowd website.

We hope that this process will make gifting easier during this very unusual year! Our teachers and staff have been working harder than ever so this is a great time to show our appreciation.

In the attached document you will find more detailed instructions for using the site, along with some FAQs. If you still have questions, please feel free to reach out to Nada Nakhleh at nnakhleh1123@gmail.com.

Thank you!

PTA Board
