This week marks our first official full week of school. I wanted to take the time again to thank you all for partnering with us in your child's instruction. There have been bumps in the road but together we have worked through some of those difficulties.

This Thursday will be a half day of instruction for our students. Our staff will be attending sessions on professional learning in the afternoon. We will be working on enhancing our skills using the applications of Schoology and Zoom. We will also be working with the new Lucy Calkins Virtual reading, writing and phonics (K-2) units. A huge thank you to the BEF and those who contributed to their cause. Our entire district will be using these units! Our staff has used these units for our reading, writing and phonics instruction while live in the classroom. We are very grateful to be able to continue using this instructional resource while we are virtual as well. This resource is very helpful as it will transition into in person instruction as well.
