Good Afternoon Pembroke Families and Friends,

Wow, week one was amazing! We felt the excitement of our students and staff this past week! Whether it was in the lunchroom, classroom or playground, the kids were happy and enjoying their time. I loved hearing stories and connecting with the children again about their summer or something that excited them. It also was wonderful seeing parents back in the building for K/1 Curriculum Night last Wednesday, and we are looking forward to seeing our 2nd-5th Grade parents/guardians this Wednesday, September 8th. We love our partnership with you and can't wait for that to continue throughout the year.

Sincerely,

Susan D. Crocker

Lunch Update

A full lunch will be provided for free for any student this school year who wishes to have one. Students who choose to take an ala cart milk or water will be charged \$.50 per milk/water taken. Please make sure you guide your students if you want them to take a water or milk as there will be a charge. These items cost \$.50 and must be paid through an electronic account. If you do not have a lunch account for your student or to check the current balance, please visit the [Send Money to School](#) website.

We encourage all students to bring a water bottle filled with cold water to school every day. If needed, they can fill the water bottle using our bottle filling stations.

As school food service programs move to return to normal service and menus, we are facing unprecedented issues with the supply chain that will cause us to alter our posted menus with little to no notices. We are working closely with our distributors and manufacturers to secure both the food and supply items need to support our program.

While it is our intention to serve the posted menu each day at every school, supply issues may not make this possible on any given day until supply chain issues are rectified. We will always attempt to substitute the scheduled menu item with another that is similar as possible to the extent we are able to do so. Please know that we will always provide wholesome meals each and every day. Stay tuned for more information about hot lunch menu choices coming soon.

Schools Offer Support (SOS)

As we begin the new school year, SOS needs your support to continue helping families. Your \$10 donation will directly impact the lives of families needing support in our community.

Schools Offer Support(SOS) is a nonprofit organization that provides volunteer services and financial support to families throughout the BPS community. SOS was founded in 2008 by a group of parents that wanted to work with students to build a stronger community through acts of kindness.

During the pandemic, SOS was able to assist families in our community with more than \$40,000 in grocery gift cards, monthly food boxes, laptops for graduating seniors, and financial assistance for childcare, medical, and utility bills.

Make your tax-deductible donation today! Click here for information on how to make a donation.
