COMPUTER USE

When students use computers in the computer lab, they must adhere to the Acceptable Use Policy of the school district. To maximize student safety online, students may only visit websites that are linked from a BPS web page. They may not type in URLs on their own.

Electronic toys and games from home are not allowed in Kids Club.

Students attending Kids Club will go outside on the *Pembroke* playground every day, weather permitting. Appropriate clothing must be worn, including boots, hats and gloves in cold weather. On days when the gym is available, children must wear gym shoes or rubber soled shoes.

TOYS FROM HOME

Play equipment and toys from home are **not** allowed in Kids Club. Kids Club is not responsible for any lost, stolen or damaged items.

COMMUNICATION

Parents will receive a variety of communication regarding Kids Club. These include emails from the CSO, KC Director and SchoolCareWorks. Parents of special needs students may request a written daily record, as an additional form of communication. All requests should go to the CSO.

HEALTH & SAFETY

All children attending Kids Club are required to have emergency contact information on file. Parents/guardians will complete the emergency card online when registering their child for Kids Club. A review and signature will be requested on a paper copy of the emergency form, prior to leaving your student for the first day.

The emergency information is very important in case an emergency occurs at school and contact with parents is necessary. Please notify us of any changes that may occur throughout the year.

In the event of injury or illness, every effort will be made to contact the parents/guardians or designated person indicated on the emergency card by phone within 15 minutes of the injury/onset of illness. The program director will initiate the phone call. If unable to contact anyone on the emergency card and an emergency situation is involved, instructions on the card will be implemented.

MEDICATION & ALLERGIES

The Kids Club program follows the Medication Policy established by the Birmingham Public Schools. Any requests regarding medication during Kids Club hours should be directed to the Kids Club Director. Forms for administering medication are available in the school office.

Please notify the Kids Club Director immediately of any allergies your child may have and any restrictions related to the allergies. If your child has medication stored in the Pembroke main office, please be aware that the office is closed at 4:30 pm and medications may not be accessible to the Kids Club staff. Epi-pens may be stored in the Kids Club room, if they are provided in the original pharmacy packaging along with a completed Care Plan.

ILLNESS

Please do not bring your child to Kids Club if the child displays symptoms of illness.

Symptoms of illness are defined as follows:

- Fever of 100.4 degrees or more
- Earache
- Sore throat
- Red or runny eyes, sneezing, or green and/or runny discharge from the nose
- Persistent cough
- Swelling and/or tenderness of the glands
- Nausea, vomiting
- Abdominal cramps and/or diarrhea
- Rash (any skin eruption, particularly if red, swollen and/or draining)

If a Director/Teacher or CSO determines that a child should be sent home, the child will be isolated and the parents called. If a parent cannot be reached by phone, the staff member will call the emergency contact(s) on the Child Information Card.

Children must be fever-free for 24 hours before returning to school after an illness. Children should stay home for 24 hours following vomiting or diarrhea. If antibiotics are prescribed, a child may not return to school until 24 hours after the first dose.

Parents will be informed if their child may have been exposed to a communicable disease while at school. The notice will include the name of the disease and the symptoms related to the disease.

The above guidelines pertain to staff and volunteers as well.

HEALTH CARE POLICY

The *Pembroke* Kids Club program's health care policy includes the following health practices and procedures:

- Children and staff wash their hands after using the restroom, before eating or preparing food, after outdoor play and as needed to prevent the spread of germs and disease.
- Surfaces used for food service are cleaned and sanitized before and after eating.
- Toys and equipment are cleaned and sanitized as needed.

The complete Health Care Policy is available for review in the Pembroke Community School Organizer's office.

ACCIDENT REPORTS

Children in a group setting may occasionally have accidents. If your child is hurt at school:

- First aid will be administered.
- Your child will be comforted.
- An accident report will be completed.
- A copy of the accident report will be sent home with you and the original will be given to the director.

If your child's injury is on the head or is significant, the director (or teacher in charge) will call a parent to discuss the injury. The parent may be requested to pick up the child early in order to observe him/her more closely. If a child is seriously injured, we will implement our "Serious Accident/Injury Plan", which includes calling 911 and transporting your child to the hospital. All staff members are trained in CPR and First Aid.

EMERGENCY PLANS

Emergency plans for fire, lockdowns and tornados are posted in each classroom. Periodic practice drills are held throughout the year. Individual plans for each type of emergency are in place for students with special needs.

BEHAVIOR/DISCIPLINE

Kids Club students are expected to demonstrate respect, responsibility, cooperation and kindness at all times. A safe and orderly environment is to be supported by each student's actions. All school rules found in the Pembroke School Handbook are in effect during Kids Club. Please review these rules with your child and follow the guidelines in the handbook. In addition, the Kids Club program has specific rules and procedures. Concerns or questions should be directed to the Kids Club Director or the CSO.

Kids Club adheres to positive discipline methods. Rules are set to keep children safe. If discussion and explanation of the rules with the student are ineffective, the parents will be consulted to work out a solution. If a child refuses to cooperate, a parent will be called to pick up the child from school. If behavior problems persist, the student may be dismissed from the Kids Club program.

SCREENING STAFF/VOLUNTEERS

All employees have been screened according to the Michigan Department of Licensing and Regulatory Affairs requirements. A comprehensive background check, including fingerprinting, has been completed on all employees.

Volunteers never have unsupervised contact with children in the program. High school students doing community service are recommended to our school by their teachers and are interviewed by the Director or CSO before they work with children.

All staff and volunteers who work in the program on a regular basis are asked to sign a "conviction and abuse" form as required by licensing.

PEST MANAGEMENT PLAN

The Kids Club program is covered by the BPS integrated pest management policy. If pesticide application will occur, advance notice of application will be provided via a notice posted at the school entrance doors and via a notice posted in the main office of the school.

The Pembroke Kids Club program is licensed by the Michigan Department of Licensing and Regulatory Affairs. NOTICE OF NONDISCRIMINATION

The Board of Education is committed to maintaining a learning/working environment in which all individuals are treated with dignity and respect, free from discrimination and harassment. There will be no tolerance for discrimination or harassment on the basis of race, color, national origin, religion, sex, sexual orientation, marital status, genetic information, disability or age. The District prohibits harassment and other forms of discrimination whether occurring at school, on District property, in a District vehicle, or at any District related activity or event. The Superintendent will designate compliance officers and develop and implement regulations for the reporting, investigation and resolution of complaints of discrimination or harassment.

The Birmingham Public Schools has adopted the following procedure for addressing complaints of discrimination:

Step 1: A person who believes that he/she has been discriminated against by the Birmingham Public Schools shall discuss the matter informally with the immediate supervisor in the case of an employee, or the building principal, in the case of a student. [NOTE: If it is the immediate supervisor or building principal who is the subject of the complaint, the employee or student may, instead, contact the School District's Compliance Officer.] The person receiving the complaint shall verbally convey his/her findings to both the person who alleged the violation and the person who is the subject of the complaint within 10 days.

Step 2: If the informal Step 1 process does not resolve the matter, a written complaint may be submitted to the employee's immediate supervisor (to the school's principal if by a student). A complaint may also be filed directly with the School District's Compliance Officer. The complaint shall include (1) the employee's or student's name; (2) the facts of the incident or action complained about; (3) the date of the incident or action giving rise to the complaint; (4) the type of discrimination alleged to have occurred; and (5) the specific relief sought. A Step 2 meeting shall be conducted within 10 days following the submission of the written complaint. Within the next 10 days, the immediate supervisor or principal [or School District's Compliance Officer] shall issue a written disposition, with copies to be given to both the person who alleged the violation and the person who is the subject of the complaint.

Step 3: If the supervisor or principal's reply does not resolve the matter, a written complaint may be submitted to the School District's Compliance Officer within 10 business days of the Step 2 disposition. A meeting shall be conducted at which both parties shall have the right to present witnesses and offer other evidence. Following the meeting, the Compliance Office shall reply in writing to the complainant and the person who is the subject of the complaint within 10 business days.

Step 4: If the complainant wishes to appeal the decision of the Compliance Officer, he/she may submit a written appeal to the Superintendent of Schools within 10 business days after receipt of the Compliance Officer's reply. The Superintendent or his designee shall meet with all parties involved and respond to the complaint, in writing, within 10 business days of the date of the appeal. Copies shall be provided to both the complainant and the person who is the subject of the complaint.

All inquiries concerning the school district's implementation of its nondiscrimination policy may be referred to the appropriate compliance officer as listed below:
