WEIRD SCIENCE

Grades K-5

3 individual sessions: Wednesdays

Dates: Oct 2, 16, 23

Time: 3:50 pm - 4:50 pm

Class fee: \$16 each class

Location: Art Room #104

Instructor: Seaton Science

Maximum: 20 students

Students will unleash their inner mad scientist in these classes! With hands-on and constructive experiments, they won't even realize how much they are learning. They'll get a chance to be messy but also to work on critical thinking skills and gain a love for science. All of these class experiments are take-home projects.

October 2 - Playdough

Learn the ins and outs of mixtures and solutions and take home the results!

October 16 - Catapult

Learn all about energy and its transfer. Create a working catapult while testing out different forms of catapult projectiles (one may even be edible!)

October 23 - Bouncy Ball

Students make their own bouncy ball while learning about polymers, chemical reactions, and ratios!

Young Rembrandts

Cartooning

Grades K-5

4 sessions: Mondays

Dates: Nov 11 - Dec 2

Time: 3:50 pm - 4:50 pm

Class fee: \$72

Location: Art Room #104

Instructor: Young Rembrandts

Maximum: 16

Does your child have a great sense of humor to compliment his or her art skills? If so, we have lots of fun in this Cartooning class!

We'll get the party started drawing lively party animals. Ordinary school items are brought to life as we illustrate and personify inanimate objects. Another challenging lesson will help students visualize sounds and learn how to draw expressions.

LEARN TO SEW

Grades 3 - 5

2 individual sessions: Fridays
Dates: Nov 1 and Dec 13
Time: 3:50 pm - 5:20 pm
Class fee: \$40 each class
Location: Art Room #104
Instructor: Lucky Penny Purses
Maximum: 10 students

In this FUN class, students will learn how to work with a pattern, select fabrics, sew with a machine and by hand, and gain other sewing skills to make their projects. They may even have some free time to create a small project of their own design!

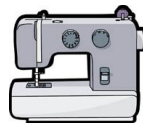

There will be a 4-session class beginning in January. These individual classes will give your child a taste of fun sewing projects!

November 1 - Teddy Bear Project

Students will have a blast making their own teddy bear!

December 13 - Pocket Scarf

Students will make a pocket scarf to gift to someone over the holidays!
