Dear Groves Families,

As you know, every spring Groves honors seniors who have either excelled in academics or have earned various scholarships in our Honors Convocation. I want to share with you that, led by our counseling department, we are actively planning a virtual Honors Convocation to take place at the end of May. There will be much more to share about this, but we are excited to be able to produce this program.

Seniors with a track record of exceptional community service are encouraged to apply for the following two community service scholarships:

Rotary International Scholarship

A single \$750 scholarship funded by the **Birmingham Chapter of Rotary International** is awarded to one student seeking financial assistance with post secondary education. *Senior students who demonstrate active participation in the Groves chapter of Interact Club, a Rotary International youth service organization, are greatly encouraged to apply.* In general applicants must demonstrate leadership and exceptional community service involvement in school and external organizations and programs throughout their high school careers.

Groves Community Service Scholarship

Two single \$500 scholarships funded by **BPS Community Education** and the **Groves PTA** are awarded annually to two graduating seniors seeking financial support for post-secondary education. Each recipient must demonstrate exemplary leadership and significant volunteer service throughout his/her high school career.

The deadline for application has been extended to Friday, May 8. All applications should be submitted in totality by email to the Community Service Office: LMahle2@birmingham.k12.mi.us. Please visit the Groves Web site for application details. <https://www.birmingham.k12.mi.us/Page/10445>

Today, we highlight our three seniors on the women's soccer team! Katie Lucken, Rachel Pawlik, and Alexis Kruntovski have been an integral part of the leadership and growth of this team over their time here at Groves. We wish them the best in their future endeavors both academically and athletically! Thank you for leading the way for your teammates over the past four years!"
