Dear Groves Families,

Welcome to June!

We want to thank you again for persevering through such a challenging time. Currently teachers are completing curriculum benchmarks and working with students on finishing their needed assignments to receive credit. We appreciate you again for supporting our current academic environment. We commend our students in advance for working diligently to finish the semester strong. As you know, classes will not receive a traditional grade for the third trimester, but either “credit” or “incomplete” instead. Resolving a grade of incomplete will be a time-consuming process for students and, in some cases, could involve changing classes for the fall. Thanks for your help in reminding students to finish this trimester with intention and purpose!

Thanks to all who participated in yesterday’s senior goodbye car parade and who watched the graduation celebration video. If you missed it and would like to watch, go to the district’s youtube channel or click on this link: <https://youtu.be/qhBbvIJVhuQ>
