FALL TESTING SIGN-UP - Deadline September 12 to Register!

As a result of COVID's impact on PSAT and SAT testing last year, recent legislation signed by Governor Whitmer requires districts to make PSAT/SAT assessments available for students in grades 9-12 this fall. Some students may have missed taking the assessment last year and others may have not experienced an ideal testing environment because of the virus. This legislation includes the following provisions.

- Students who were unable to take the assessment in the spring of 2021 are now eligible to take the applicable fall assessment.
- Students who took the College Board assessment in spring 2021 and request to take the test again are eligible to take the applicable fall assessment.
- Students may participate but are not required to take the fall 2021 assessment.

We need to know which students will be taking advantage of this fall opportunity in order to secure enough tests. Please be sure to have a conversation with your student about this upcoming testing. If you would like your student to test, please use the link below to register them. This information has also been sent to your student's Gmail.
