

Groves Families,

There was great energy in the building on Thursday and Friday with our in-person learners returning to campus! We had a great start to the final trimester of the year with all of our students - in-person and virtual learners, and our theme for the remainder of the year is to Finish Strong!

Please remind your students to complete the Clear to Go health screener each morning, to wear their masks properly throughout the school day, and to abide by social distancing as much as possible. We want to work together to keep staff and students safe. This includes students staying home to learn virtually if they are not feel well or have a known exposure. Thank you for your support of our safety protocols.

Upcoming Events

March 22 - Senior Seminar - This event begins at 8 a.m. and will be held virtually, so all seniors were emailed the information that contains the Zoom links. We have great presenters arranged and many choices for our students to learn about the "real world" after graduation.

March 29 - April 2 - Spring Break

Baldwin Public Library now offers all area students Library Cards

Baldwin Public Library has announced that any student in the Birmingham Public School community will have the same opportunity to access Library resources to assist with classroom learning inside and outside of school.

Previously, students who attend Birmingham Public Schools, but who do not live in the Baldwin Public Library service area needed a card from their home community library, which meant varied access to an assortment of electronic resources. By offering all students a Baldwin Public Library card, the question of whether a student can access a specific resource is eliminated.

To acquire a BPL card, students and their parent or guardian will need to apply for a card at <https://www.baldwinlib.org/get-library-card/> and collect their card from BPL, which is located at 300 W. Merrill St. in downtown Birmingham. [Link to full press release here.](#)
