

Free schools meals for all has ended

When the 2021-2022 school year ended, so did free meals for every student. While the federal government funded a program that allowed all students access to free meals during the COVID-19 pandemic, Congress has declined to continue funding this program.

We understand this change may cause you to worry. However, there are important steps you can take NOW to be sure your student receives the meals they need for the 2022-2023 school year.

If your student qualifies for free or reduced meals (income based), they can still receive them this fall, but you must take action to make it happen. Please complete the 2022-2023 online application, which is available on the district's website or use this quick link <https://birmingham.familyportal.cloud/>

Completing an application is the only way to be considered for free or reduced meals this school year. Please take action now.
