Dear High School Parent/Guardian:

The United States Congress passed the *No Child Left Behind Act of 2001* (P.L. No. 107-110). This bill amends Section 9528 of the *Elementary and Secondary Education Act* (ESEA). Based on this legislation, school districts are required to release student directory information (student’s name, address, telephone number) for secondary school students to military recruiters who request such information. As a parent/guardian, you have the right to opt out of having your child’s directory information released to military recruiters.

If you do not want the school district to release your child’s directory information to military recruiters this year, please complete the bottom portion of this letter and return it to the principal’s office at your child’s school no later than Friday, SEPTEMBER 10, 2021.

If you have any questions, please feel free to contact me.

Very truly yours,

Rachel M. Feder
