

APUSH A/B/C Parent/Guardian information letter

Please take a minute to write about your child and his/her success in social studies classes before his/her this year. What should I know about your child's studying and learning styles (for example, is he an avid reader/writer? Does she procrastinate? Is he a computer whiz?)? Your information will help us plan the class and include a variety of activities to maximize your child's abilities. Also, if either parent (or both) has an email address, please include it on this form so we can send you information on the class and conferences.

Thanks and take care.

****Please include a little info about how your child had done last year in APUSH (if relevant).**
